God grant me the serenity to accept
the things I can not change

Courage to change the things I can

And the wisdom to know the difference

This Was the Year That Was . . .

This was the year that was . . . What was this year? Was it exciting, boring, routine or what? Only you can know what happened to you in the school year 1973-1974.

The seniors counted the days till graduation and then when it finally came wondered if they were really ready to leave these hallowed halls.

The underclassmen waited to move up the ladder.

But in the meantime, did you simply exist this year or did you become involved in what you and your class did?

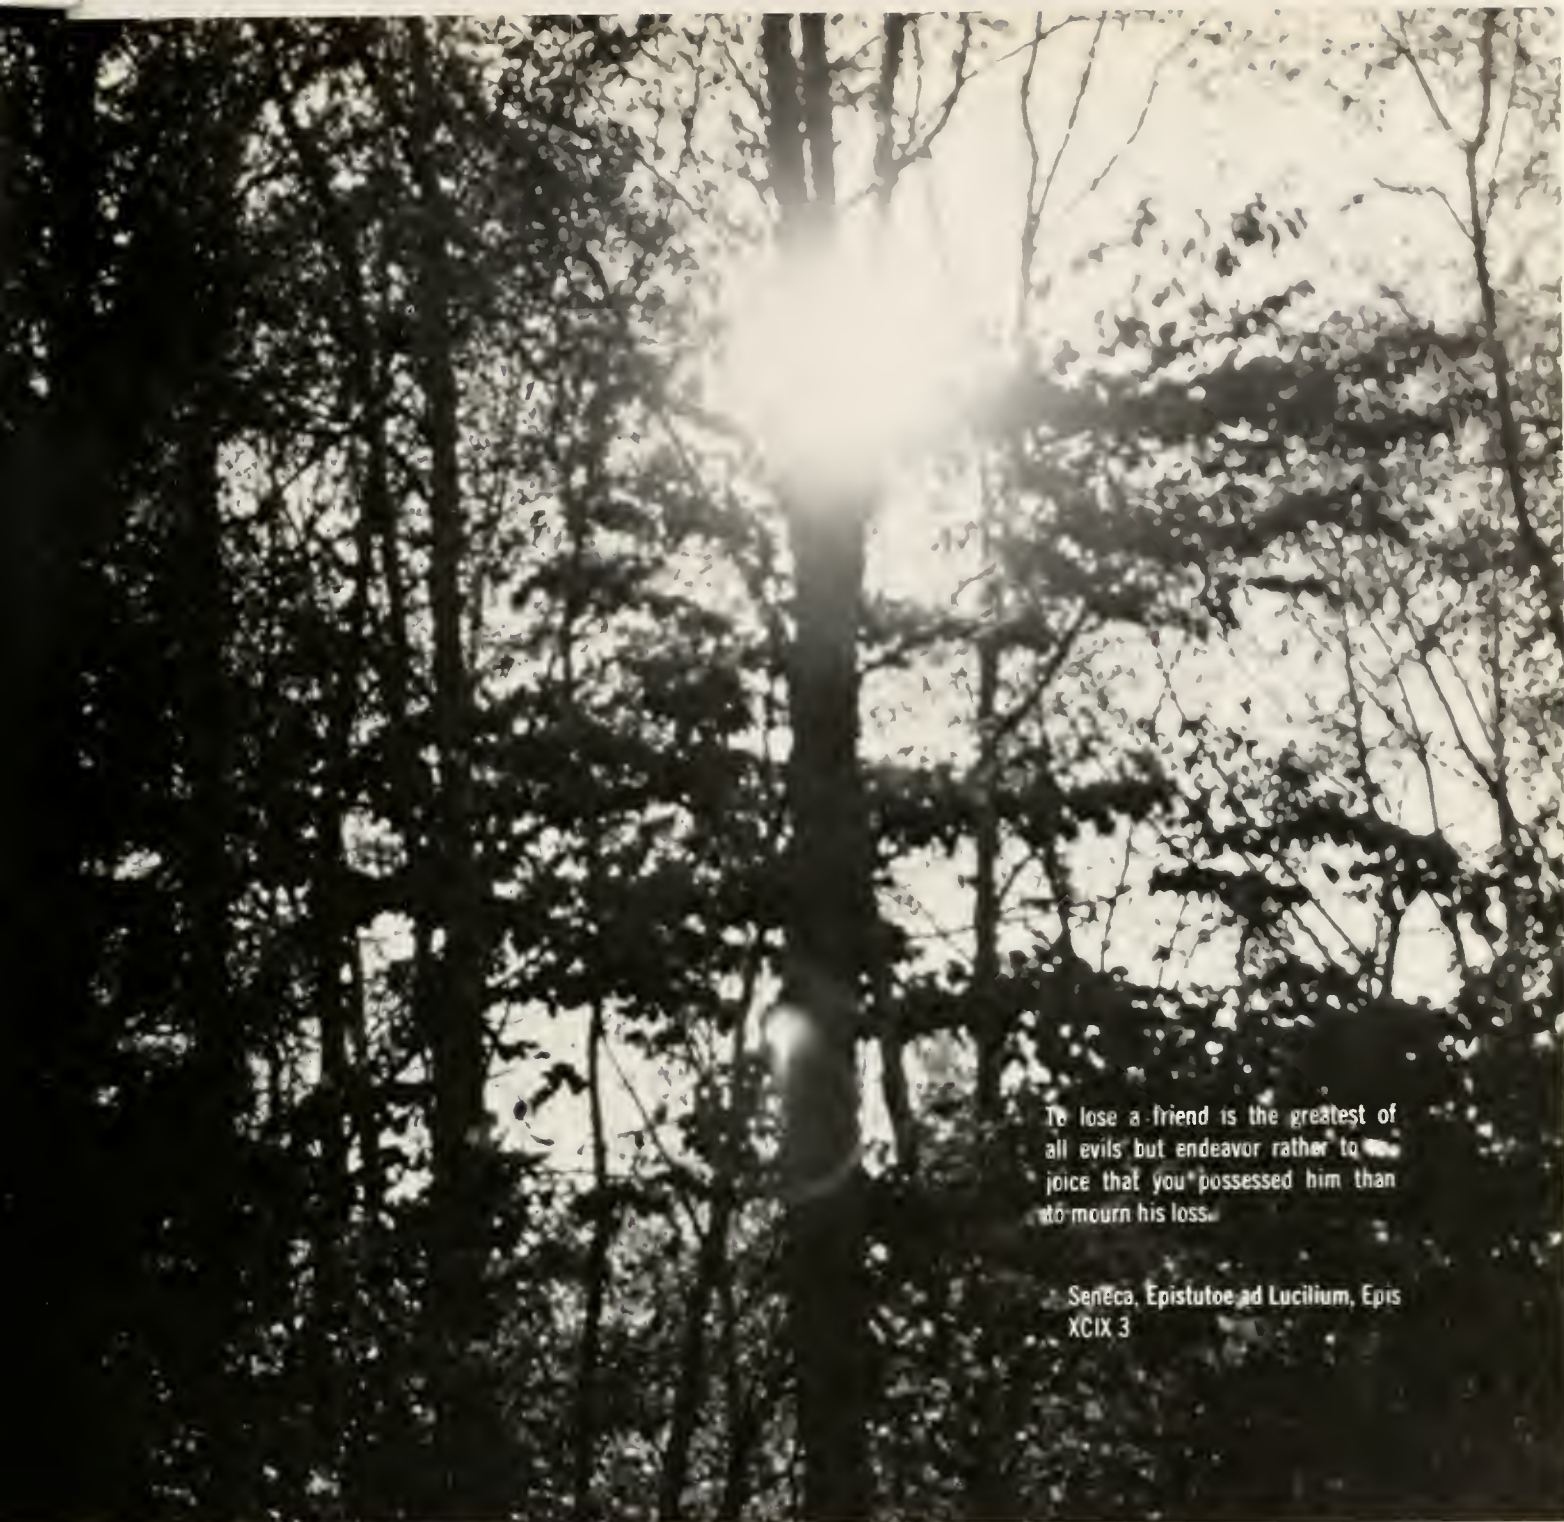

What about the tests? Were they as boring and tedious as last year? What about the sports events? Were they exciting or simply replays of last year? What about the plays, the concerts?

Well, what was this year for you? Was it the same as always? Or was this the year that you achieved the serenity, the courage or the wisdom to make this year that special year?

to mourn his loss.

Happiness Is . . . a Place to Call Your Own

Lockers are a vital part to every high school. They serve the students as a home away from home; a place to return to when everyone else has deserted you. Lockers are a symbol of self-expression for students who wish to decorate them. Decoration usually consists of sports signs, pictures of friends, crepe paper, beer cans and posters.

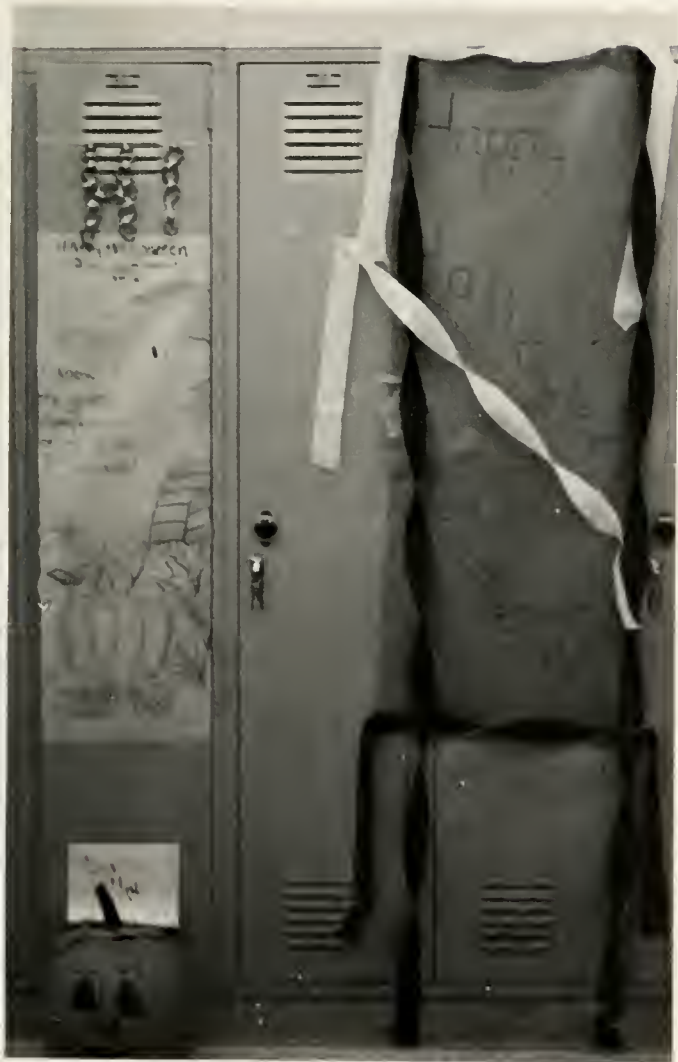

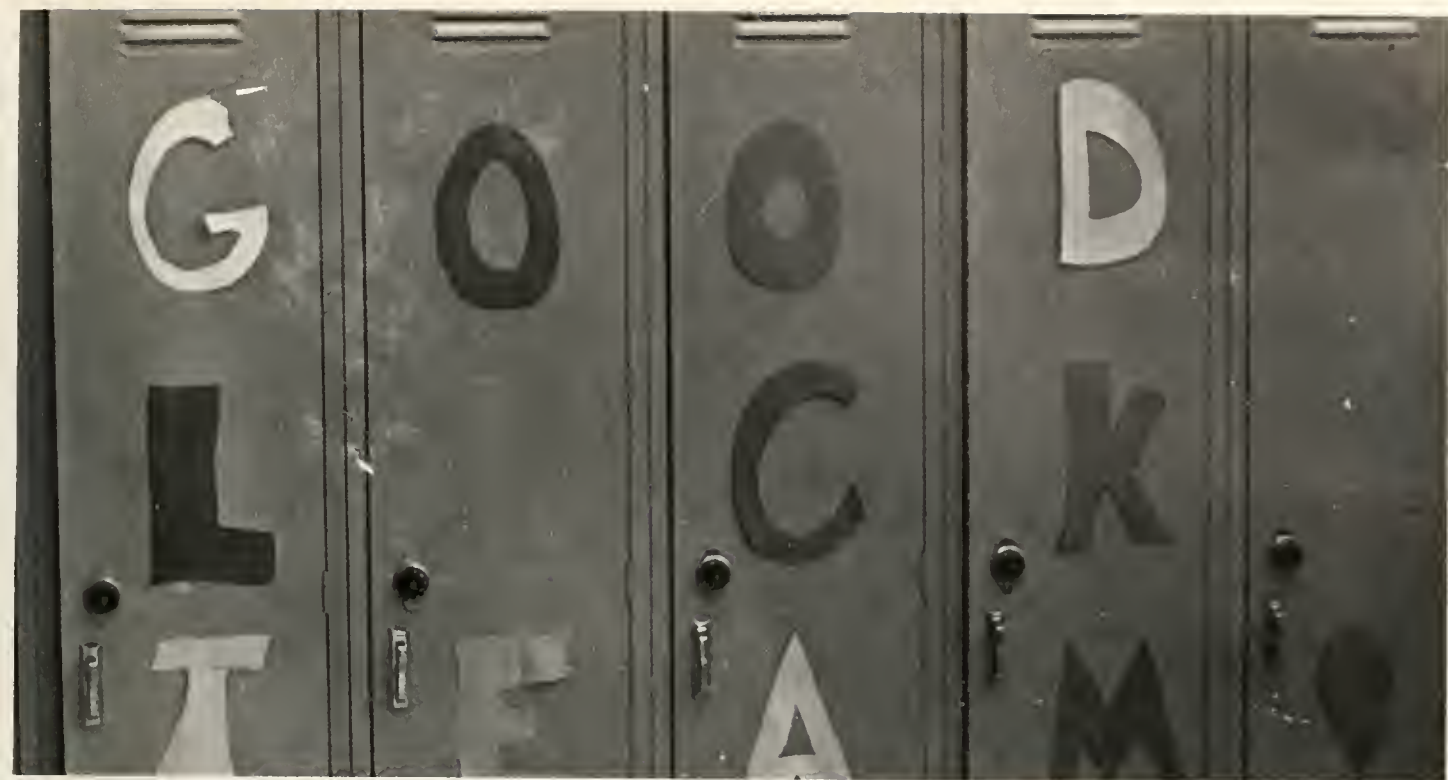

Junior high students usually find amusement "stacking" lockers. The principle of this is to pile every book in a locker against the door, so when someone opens the locker, all of the books fall out onto the floor.

The question of cleaning a students' locker usually arises at least once during the school year. Either a teacher will leave a note on a students locker, or else the student finally decided that he cannot cram one more wad of paper, gym suit, pair of shoes, or a pencil in his locker and still be able to shut the door.

Whether one's locker is decorated or plain, it serves as the only thing in the school a student can call his own for the entire school year.

Bonfire Kicks Off Homecoming '73

Hours of planning by Student Council led to an exciting, unique Homecoming for 1973. The week previous, our opponents, the Prairie Heights Panthers came by night and engraved their initials on the Boomershine field using kerosene. Revenge was calculated by Mr. Joe Sirk, football team coach, and the Angola Hornets. Although rain was predicted by Earl Finkle, Hornets downed Panthers 28-6. Jan Simons, junior, was named homecoming queen '73 before the game. A bonfire and snake dance tipped off Homecoming '73. The snake dance, sponsored by Student Council was held on Friday morning during activity period. Rain flooded out the carnival, but subsided in time for the annual powder-puff football game. Seniors succumbed to the underclassmen 28-6. Seniors scored only in the first quarter. Homecoming '73 was brought to a close with a dance featuring "Scorpio King" in the gymnasium on Saturday night.

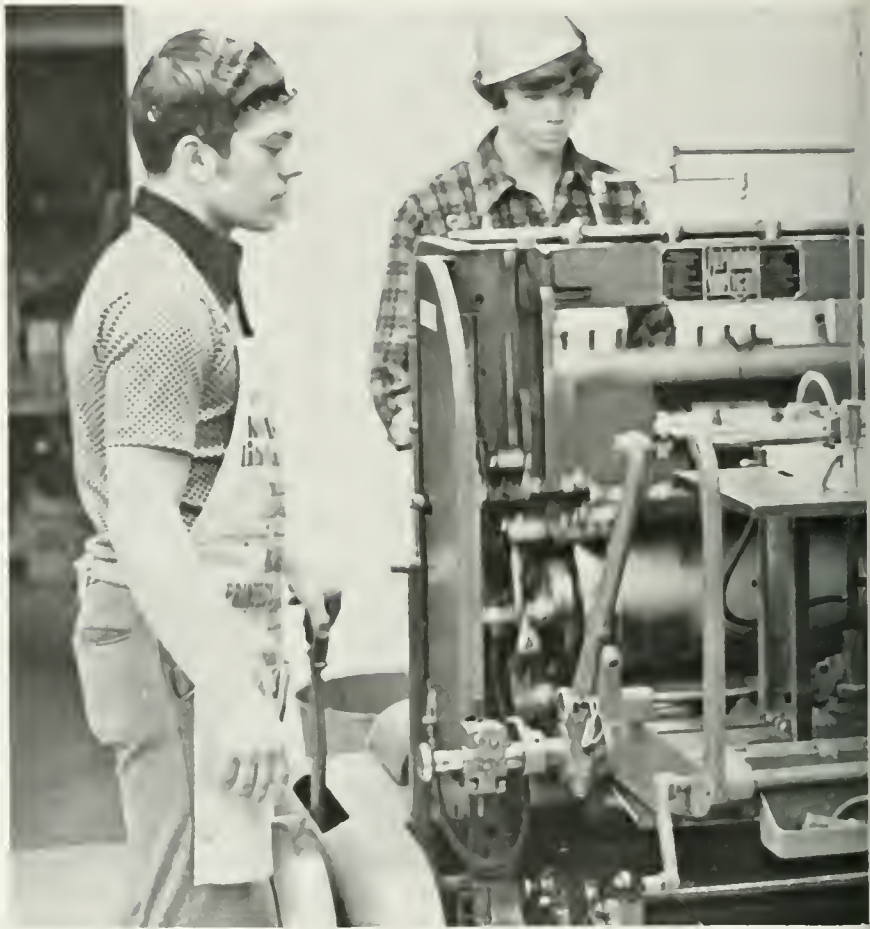

TOP RIGHT: The mighty Hornets followed the cheerleaders in the slithering march to victory. BOTTOM LEFT: When you're at the end of the line in a snake dance, the key word is PATIENCE! BOTTOM RIGHT: Area firemen aided in lighting the homecoming bonfire.

Classroom Memories — Work, Worry **and** Fun

After School; Ride, Swing, Walk, Jump, Eat, Drink, Sleep

The school day finally ends at 3:30. But what happens after school? A variety of activities take place.

Eating is one of the most frequent activities, but many people leave the school and engage in outside sports. Winter finds them out building snowmen, snowmobiling and having snowball fights. As spring approaches tennis, bicycling and kite flying become favorite sports.

No matter what the season, though, a Friday night party is great relaxation for everyone.

RIGHT: Melody Roush spends much of her extra time horseback riding.

ABOVE: Swinging at Hendry Park is a favorite pastime of many, including Beth Bobay and Rita Bobay. LEFT: Karen VanWagner and Jenny Golden participate in a usual after school activity, parties.

Senior Girls Add to Christmas Spirit '74

On a sub-zero evening in December, three phantom seniors trudged across the plains of Pleasant Lake to chop down a Christmas tree for their classmates. Some seniors did bring their own decorations, and there was also much trading and stealing of decorations between the senior and junior trees.

Each year there is somewhat of a contest between the classes as they bring in all types of decorations, signs, etc., in order to add to the Christmas spirit. Good old A.H.S. gets all dressed up in her finery for one glorious week as the Christmas spirit kindles every heart.

ABOVE: Jan Richards and Meredith Wattson display teamwork. ABOVE RIGHT: Debbie Arnett supervises the decorating of the tree. BELOW LEFT: Chris Heier adds another ornament to the Senior tree.

Christmas "Concert of the Bells" Postponed by Blizzard Until January 20, 1974

The annual Christmas concert, directed by Miss Nancy Siebold was postponed from the evening of December 19th 1973, to January 20, 1974, due to a blizzard which traveled across most areas of the Midwest. This storm blessed Angola with 12-14" of snow and drifts several feet deep. School officials planned for the show to be given to the students on the afternoon of the 19th, although no previous plans had been made.

Free to Be You and Me — Student Day '74

Involvement was the "Key" word for student day '74. Student council planned such activities as bike joy riding, hiking, antique bottle collecting, a field trip to Ball State University, and chess playing. Students had a wide choice of activities to participate in so they could be and enjoy themselves for a day. Student day was divided into three sessions: two morning sessions and an afternoon session. An activity could last one or all sessions, depending on the nature of the activity. Mr. Deetz planned a smorgasbord for lunch. Student council worked very hard to make all students want to become involved in the 1974 student day.

'73-'74 Season Opens With "Bye Bye Birdie" Musical

Thespians presented the musical "Bye Bye Birdie" on November 16, 17, and 18th. "Birdie" was directed by Mr. Hal Vaughn, Miss Nancy Siebold and Mrs. Konita Dougherty.

Children's Play "Tiger in Traction" Closes 73-74 Year

"Tiger in Traction," a children's play, was presented on April 19th and 20th. A tiger escaped from the circus and took refuge in the children's wing of the hospital. Thespians now plan to do a children's play every spring to acquaint the young people of the community with drama and theatre experience. Junior High Thespians began this year and presented one act plays with the help of High School Thespians directing.

Juniors Create "Summer Breeze" for Seniors

In spite of the chill of the evening, juniors created "Summer Breeze" as the theme for the '74 Junior-Senior Prom. The banquet room of the Potawatomi Inn was decorated like the outdoors as a moonlit evening. The band "Phantom" was on hand to make it truly an evening to remember. Robin Bush was named queen with her escort Randy Hammond. The other queen candidates were Beth Tubergen, Jan Lincoln, Carol Knapp and Donna Hilton. After a quick change of clothes, students moved on the Lakeland Drive-in to see "Paper-Moon".

Happiness Is . . . Seldom a Sour Note in Life

"Happiness is . . ." was the theme for the 1974 Spring Vocal Concert directed by Miss Nancy Siebold. The concert contained a wide variety of music, including popular tunes, jazz, choral, bubble gum and modern classic. Junior High Choir, girls vocal Swingals, and the high school choir were among the performers. Skits of Charlie Brown were also performed.

Memories

Memories press between the pages of my mind, memories drift between the ages just like wine. Traces of Angola High School — although discarded still remain in the hearts of all students. Hold fast to the memories but live the present and look to the future until each goal along the path of life is reached.

I May Have All Knowledge and Know All Secrets but Without Love . . . I Am Nothing

Flashbulbs popped and Instamatics clicked as each of the 148 graduates advanced to receive their diploma. Graduation was held on Sunday afternoon, May 19th in the gymnasium. After a short delay due to a dead microphone, the hour program became underway. The guest speaker was Mr. Morely Frazier from Albion College, Albion, Michigan. Mr. Frazier complimented the graduates for wearing shoes and appearing to have the "just scrubbed" look. Mr. Frazier has also spoken at a previous A.H.S. Athletic Banquet. Mr. Vaughn, class sponsor, read off the names of the graduates while Mr. Kelley and members of the school board took turns distributing diplomas. The graduates gowns were blue with silver tassels and their motto was "I may have all knowledge and know all secrets, but without love I am nothing." Donna Hilton, Doug Summers, and Richard Hill were all tied for Valedictorian with a 4.0 average and Randy Hammond was named Salvatorian.

today is only yester-

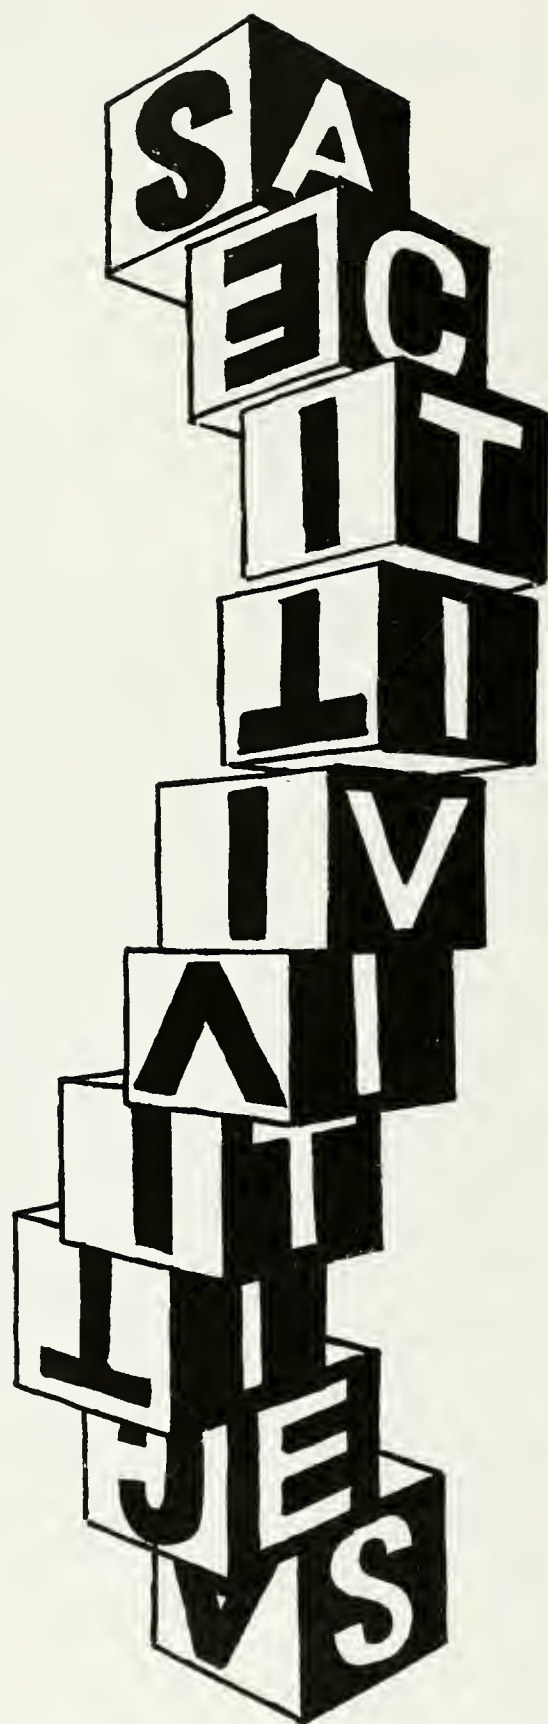

In Search of a Tomorrow

The seniors walk this life in search of a tomorrow;
Not a today, nor a yesterday,
But a reach for a future in tomorrow.
Tomorrow holds the key;
The liveliness of all youth and existence,
An unhampering of true justice,
A brighter smile within an inner peace.
Why reach for what you cannot hold?
Because we believe you can hold it —
You can hold the blossomings of our tomorrows.
See the breaking of the dawn in a new day.
We have faith the seniors will bring us to a foretold future,
For they walk this life in search of a tomorrow.

Student Council Supports YOUR School

When Mary Sheets, student body president, was asked her opinion of the 1974 Student Council she replied "The people on Student Council were really far-out; they worked hard and all enjoyed Danny Hammel's dirty jokes. There were fun times and down times, but all of the members worked together and accomplished much."

The Student Council added the crowning of the Basketball Queen to their activities this year.

Fun Keys a Great Thespian Year

The A.H.S. Thespians, led by Lonnie Lonsbury experienced a year of fun and entertainment. The fall play "Bye Bye Birdie" starred Diane Douglass, Bill Wilder, Bob Meyers, and Susan Johnson. A variety show in February gave students and teachers a chance to display their hidden talents. The spring play was a children's feature entitled "A Tiger in Traction." Thespians had a Halloween party and a spring banquet to initiate new members and honor old members' accomplishments.

Co-op Students Gain Experience for Tomorrow

The Co-op program at A.H.S. can once again be regarded as a success. By participation in such occupations as sales clerk, secretarial work, and office personnel, students gained useful experience for the future.

In the fall, Co-op students sold carmel apples to earn money for their spring banquet where vocational education students and employers are recognized. Co-op students also organized a project to donate oranges to all residents in Angola nursing homes. Their efforts were greatly appreciated.

HOE: Practical Experience in Health Occupations

HOE, under the direction of Mrs. Crimmins, enabled students to work in health related areas. Students received practical experience in such areas as dentistry, nursing, and special therapy. Experience combined with classroom instruction gave students valuable training in their chosen fields.

Lettermen's Club Becomes Varsity Club

Because of the participation of girls, the Letterman's Club was changed to the Varsity Club. Sixteen girls lettered in a Varsity sport for the first time in A.H.S. history.

The Club held a program honoring all those who lettered. The Most Valuable Senior Award was presented for the first time to four athletes. A minimum of one thousand points and four major awards were needed to qualify for this award. Eleven seniors qualified and four were selected by a committee consisting of the coaching staff, the principal, and the athletic director.

Y-Teens Create Santa's Workshop

Y-Teen members kept busy this year by making cookies in the fall, sponsoring the Christmas Prom, and holding the annual Pa-Ma-Me tea in the spring.

The Christmas Prom created most of the work. This year's theme was Santa's Workshop and the gym was decorated with large murals and a lot of crepe paper.

One thousand pounds of cookies were sold this year. High saleswomen for the event were Tricia Slack and Nancy Nichols.

The Pa-Ma-Me tea was combined with the Senior Swing-Out. The event honored Y-Teen parents and senior members.

New Programs High-Light Hi-Y Meetings

Largely due to the efforts of Randy Hammond and Doug Summers, the Hi-Y had a variety of interesting programs at their monthly meetings. Mr. Neil Robinson gave a talk on African art and the organization was introduced to a new type of water ski. They also had a speaker who talked about Australia.

The 40 members of the Hi-Y group gave their time in service by cleaning up after football games. Each member was also required to sell \$12.00 worth of candy. The profit from these sales was put into the treasury for later use.

Many Hi-Y members helped the Y-Teens decorate for the Christmas prom. The group also used the Tri-State pool for a swimming party.

Mr. Wright commented that due to the gas shortage, they were not able to attend their planned Komet hockey game and college football game.

NHS: Changes Through Participation Create New Image for Group.

PARTICIPATION was the key word this year for members of Angola's National Honor Society. Many changes were made in the Society and its constitution, creating a new image for the club in respect to the entire student body and community.

Each student belonging to the Society has shown scholarship, leadership, and participation in the school and community. These qualities are extremely important to the individual and those with whom he is associated.

Ten hours of community and school volunteer service, such as assisting the Red Cross Blood Mobile or the Y-Teen clothing drive were required of each member. A tutoring program provided experience and an opportunity to advance academically for the instructor and student.

Changes through participation have enabled members of the society to grow. Let us hope that these changes are supported by all in future years.

Hornet Staff Has Successful Year

The Hornet staff put out 9 issues of the school paper. They sold an average of 400 copies per issue. The money that was made from these sales will send several members of the staff to a workshop next summer. Hopefully, they will bring back some new ideas for next year.

Many of the staff members were on Co-op or early release and did a lot of work on their own. They did, however, find time to attend the Indiana High School Press Association at Franklin College in November. They also participated in Journalism Day, which was held at Ball State and Valparaiso in the spring.

In 1905 the first annual of A.H.S. came into existence. It was called "The Spectator" and was a small book containing the record of the year's activities. In 1910 each of the nineteen seniors was given a separate page in the annual. The cover was of linen and the book had onion skin pages. The year 1919 marks the beginning of a new name for the annual. "The Key" took the place of the "The Spectator". It was published bi-monthly and editorials appeared for the first time. The seniors' individual pictures were placed on one page. The other three classes had group pictures. Group pictures of the orchestra and chorus, the basketball team and the Key staff also appeared for the first time. A whole page was devoted to snapshots.

The 1973-74 Key staff initiated many new ideas that can be seen throughout the book. Trying to get pictures and then making them fit, typing copy, and those ever-present deadlines are all a part of the year. The entire staff has worked hard to produce what we hope is a good book.

Language Clubs Help to Enhance Minds of Students

Communication is an important part of every aspect of life. Though many people do not speak a language other than their own, the fact that people can learn another language, or even more than one, still stands as a bridge from one country to another.

The language clubs at Angola High School are a result of hard work on the part of students and teachers. Miss Meyers, sponsoring Spanish Club, Mrs. Spoolstra sponsoring Latin Club, and Mrs. Cook, sponsoring French Club enabled students to enjoy working with a second language.

FTA, FHA, and FFA Help Students to Plan Future

As students plan for future years, so do the organizations to which they belong. For any individual or organization to grow, changes are required. This year the Future Teachers of America made a change in their organization and in their constitution. The club changed to SAE (Student Action for Education). The emphasis now lies in an interest in any aspect of education, not just in teaching. FTA continued the elementary program allowing a few students to participate in elementary classrooms. New officers encourage boys as well as girls to consider FTA for next year.

BELOW: FTA officers: Cindy Sharrow, Ka Sherburne, Carol Karst, Brenda Rudolph, Annette Barton. **TOP RIGHT:** FTA members at initiation ceremony. **BOTTOM RIGHT:** Mrs. Shubert, sponsor of FTA, presents the new constitution to President Carol Karst.

FHA began a busy year with a district meeting in Fort Wayne which the ten officers attended. Hot chocolate sold at football games provided the main money making project for the year.

Service projects included car windows washed during FHA week, and tray favors provided for the hospitals and nursing homes at Christmas time. The year ended with installation of new officers at the end of May.

FFA, in its second year at AHS, grew in number and scope. The projects for the year included an orchard project, a greenhouse project, and a corn test plot. The test plot allows members of FFA to actively participate in farming.

Happiness Is 4th Hour Choir Class

The 1974 choir, under the direction of Miss Nancy Siebold, proved once more the importance of music at AHS. The choir provided several concerts during the year including a Christmas concert performed before the student body when a snow storm cancelled the evening performance and started Christmas vacation two days early.

The choir also played host to the 1974 NISBOVA vocal and concert band contest where they received a 1st rating.

The spring concert revolved around the theme "Happiness Is." Many hours of practice were spent by the choir preparing for the main event of the year.

The grand finale of the spring concert. "Happiness Comes, Happiness Goes."

“The Best Things in Life Are Free”

The A.H.S. Pom-Pon girls under the directions of Head Majorette Jill Simons and assistants Susie Kelley and Karen Rose added life to halftime entertainment once more. The girls also traveled to Zionsville for state contest where they received a second place. This proves “the best things in life are free”.

Swingals Swing Through '74

The Swingals, in the hands of Miss Siebold, added musical entertainment to many school and community events. Besides performing at the Christmas and Spring concerts, the girls also performed for such organizations as the Lions Club, Mrs. Kiles retirement banquet, and the Lake James Sportsmans Club. The girls kept pop music alive at A.H.S.

Orchestra Highlights Commencement

This year's high school orchestra played for the Tri-State College Commencement exercises in December. The group practiced every Monday and Wednesday after school to prepare for the NISBOVA contest in April. From this contest the organization received a second in performance and a first in sight-reading. Much emphasis was also placed on the grade school orchestra for an even better group in the future.

Mr. Elwood Nichols, director, retired after 25 years of teaching both music and science.

Individuals

The Hornet Marching Band is made up of the Concert and Varsity bands and the Pom-Pon corps. Many individuals help shape our bands through a lot of hard work on their own.

Numerous solos and ensembles enter the NISBOVA contest each year. This year two trios and three soloists also entered the state competition. Auditions were held for the All State Band and two AHS students were accepted.

"The Voice of the Band" — Mr. Hal Vaughn — presented the band with the original proclamation of Band Day, October 22, 1973. Mr. Vaughn did the announcing for the award-winning marching show as well as the two band concerts.

TOP LEFT: Donna Hilton smiles after successfully completing her marimba solo. Donna took three solos to State competition and received two firsts. This brings her total to five firsts in the State solo and ensemble contest. **MIDDLE LEFT:** Susan Johnson and Bill Wilder received a plaque and a baton for "Best Drum Major" in the 1973 Marching Band Contest. **LEFT:** Entered in the State solo and ensemble contest were: Dave O'Neal, David Graves, and Randy Dygert, saxophone trio; Gayle Gurzynski, Rosanne Willig, and June Dolan, Clarinet Trio; Donna Hilton, marimba, snare drum, and tympani solos. Suanne Gorrell, trumpet solo. Not pictured: Steve Pavy, marimba solo. **FAR ABOVE:** Senior Bob Meyers played first-chair baritone in the All-State band. The Creation of Band

According to Carney, Koomler, and O'Neal

In the beginning Frisinger created Band. And the band was without form and class and the spirit of Bear moved upon the face of our ignorance. And Bear said, "Let there be trumpets and there were trumpets created in the image of himself. And Bear blessed them and smiled upon them and said, "You are my chosen few." And that day and the evening drill ended the first day.

And on the second day the trumpets were without depth and balance and Bear, seeing this in his almighty Wisdom said, "Let there be counter melody," and he listened to it and it was better, so was the second day.

On the third day, Bear found the band to be without harmony and volume. So he cast down upon the field a new image, unlike those seen before, they were called flutes and clarinets, and Bear smiled upon them knowing full well that they kept the trombones happy. And so endeth the third day.

On the fourth day the band lacked rhythm and ignorance so Bear said, "Let there be percussion and bass, and it was so." And in his ever-present wisdom the Bear stated, "Well, anybody can make a mistake." Making up for the lack of rhythm the Bear created saxes and horns. And on such a harmonious note ended the fourth day.

The band, on the fifth day noticed the Bear was alone and void. And the band created Donna for him. And with her were forty virgin maidens, pure and innocent created in the likeness of Donna. And Bear smiled and it was good. And it added flash and color to the band.

On the sixth day Bear noticed that the band and the pom-pon corp were happy and fulfilled which was not to his liking. So he created band camp and it was painful. Seeing that he alone could not control the flock he had created he forced into his own image, two assistants whom he christened drum majors; placing within their throats loud voices and in their mouths, whistles. Deeming them supreme rulers and task masters over his thundering throng. And so concluded the sixth day.

And on the seventh day Bear looked upon all he had created and was that it was functional. And grabbing his golf clubs headed for the course for his day of rest. And in the distance the voices of the multitudes swelled saying, "Wa-da-tin-chew."

Best in the State

The Hornet Marching Band was judged to be the best Class B band in the state.

Band camp started the year with drill downs, which were added to improve the response to verbal commands. After playing at several home football games, the band entered the NISBOVA marching contest at East Noble. The group received a 1st division rating and Susan Johnson and Bill Wilder were awarded Best Drum Major in Class B. The first enabled them to enter the State Marching contest in which they won first place in Class B. A 4 ½ foot trophy, a school convocation, a proclamation of Band Day, Oct. 22, and an impromptu parade all honored the band and pom pon corps.

The band received three firsts in performance and a second in sight-reading for the end of a successful year.

TOP: The Hornet Marching Band performs to "Side By Side". MIDDLE: Mr. Frisinger presented band awards at the annual music banquet. BELOW: On display in the office was the band's 4 ½ foot trophy

Pep Band

Playing at each home basketball game was the A.H.S. Pep Band. They played such selections as; "Rock Around the Clock", "Something for a Cat", and "Get it On." Sophomore Paul Gilbert directed his own arrangement of "Johnny B. Goode." Besides basketball games, the group also played for the Pom Pon girls at a Tri-State game and a home gymnastics meet.

Although the size of the Pep Band was increased to 48 members, only 30 were allowed to participate in the contest at Zionsville. The group placed second.

Student Assistants Big Help to Teachers

Teachers were asked to comment about student assistants. Here are some of their answers:

Vital to my class situations . . . My assistant's jobs range from boardwashing to errand-running, projector-hunting, and paper grading . . . I can't imagine functioning without them . . . They are most helpful — both to the other students and to me . . . I am glad that it is possible to have the girls available . . . It takes considerable time to plan their work, but it is worth it to the dept., classwork, and teacher . . . I'd rather do the work myself. That way there aren't any problems . . . I feel they do a good job. They need to be dependable, mine have been for me . . . Student assistants must be careful not to overstep their authority . . . Those that see things that need to be done and do them are much more valuable than those who don't.

Hornets Accomplish Record Winning Streak

After losing the first four games, three of them by a touchdown or less, the Hornets came back and won the last six games against tough competition. Coach Sirk commented, "At the end of the year, this team was the best team Angola has ever had." Captains, Dave Newnam and Vince Clark led the team to the longest winning streak in Angola football history. Dave Newnam established two new records. He rushed 1564 yards and scored 110 points, breaking both previous records.

Five seniors received special recognition by being named to the all conference team. Dave Newnam and Karl Beer were named to the first string offense. Karl Beer also made first string defense. Don Bledsoe and Ken McCormack were named to second string offense. Dan Hammel was named to second string defense and received an honorable mention on offense. As Coach Sirk put it "It was a very good year."

Junior Varsity and Freshmen Grid-iron Men Fight for Victorious Seasons.

Co-Captains Tom Simons and Randy Tilbury led their Junior Varsity Football squad through a grueling season of two wins and three losses. Fullback Bill Smith was the leading ground gainer for the team. Linebackers Paul Gilbert, Randy Tilbury and Greg Ridenour led the defensive squad. Coach Krebs commented about the defensive squad. Coach Krebs commented about the defense through-out the year by saying, "The Junior Varsity played their best football the last three games of the season. Had they played defense as tough at the beginning of the season, their record may have been different."

The freshman football team pulled the season through with a noticeable gain in effort and improvement. As a team and as individuals their efforts were progressive.

"This group had a tremendous desire to learn and improve," comments Coach Sniadecki. "They often overcame physical deficiencies through superior effort."

With many long, hard practices, this year's team gradually improved both in talent and spirit. The team had no individual stars, but as a single unit they leaped into a season of vigorous goals and accomplishments.

"There was not a single boy on the team who did not at some time make important contributions to the team effort," states the coach.

Determination and desire pulled the team to a two win and three loss season record; however, two of the losses were determined by only a couple of points. Overall, the team wrapped up a respectable and productive season. This team produced the desire and ambition to create a hopeful and successful future.

Cross Country Ends Season With 12-1 Record

The Cross Country Team had a great season only losing one meet. Dennis Kyle broke his own record of 12:51 with a new time of 12:33. Some other accomplishments of the team were that Dennis Kyle and Reed Steele have run over 1000 miles in their careers, and Robin Bork in his first year of running broke under 14 minutes. Dennis Kyle, the number one man on the team, went undefeated in 13 dual meets and was fourth in the Conference Meet. Coach Dygert said, "The most improved runner was George Porter, who helped carry the team. We are looking forward to a good season next year."

With a 10-13 Record, Hornets Finish With Their Best Season in Ten Years

Opening the season with three victories helped set the pace for the Hornets. Controlling the jump balls and the boards gave many vital points and assists. Seniors Karl Beer and Don Bledsoe muscled their way underneath to pull down 342 rebounds for Beer and 151 for Bledsoe. Coming up to lead the Hornets next year was the six-foot, four-inch junior, Dan Weber, who pulled down 146 rebounds. Heading in the scoring was done also by Karl with a total of 403 points, usually being assisted by Danny Hammel. Dan was the highest in the assist column with 105 for the season. Dave Newman burned the nets from all over the court to give the team 310 more points, with a percentage of them coming from the 52 ball gains he had. Throughout the season, free throws seemed to be a contributing factor to the victories. Even though the Hornets as a team didn't hit a very high percentage of their free throws, there were individuals that proved their effectiveness. Ken Peterman proved

his ability at the line by hitting over 66% of his own.

After finishing the regular season with an 8-12 record, the Hornets entered the Sectionals fairly confident. After beating Fremont in the first game by a score of 75 to 72, they went into the second game against Garrett looking for the victory to take them on into the final game. Ending the Garrett game at a close 67-66, the team felt high on their accomplishments. In the final game with Dekalb, the Hornets tried their best, but lost to the Barons with a final score of 50 to 71 ending the Hornets season with their best record in ten years. Coach John Hammel was pleased as he commented, "I hope the victories this year are a step further toward returning championship basketball to Angola High School. I feel somewhat disappointed we didn't win more but was pleased that the guys worked as they did and ended up in the finals of the sectional."

B-Team Has Best Record Since 1963

Coach Lynn Maugherman stated that, "Although we feel our overall record could have seen better, we had the best record of any reserve or varsity team since 1963." The team carried a record of seven straight home wins, field goal average of 38% and a free throw average of 60%.

The Freshman team had a rough season with only three wins to seven losses. Even though their record reads an unhappy twelve losses, four of the games were lost by a narrow margin of either one or two points. The boys are coached by Mr. Terry Thompson who was assisted by Ken Peterman.

Young Wrestlers Look to the Future

Hornet grapplers lacked experience this year, having only two senior men. The team's record for the 1973-1974 season is four wins and seven losses. The team took sixth out of eight teams at the Northwood Invitational, seventh out of ten teams at the Sectional, and eighth at NEIAC.

Several individuals did exceedingly well this year. Jim Wetzel placed second at the Northwood Invitational and third at the Sectional and Conference. Scott Parrish had a 12-4 record and Bob Shipe had a 9-5 record.

Coach Simon feels the young team has a great deal of spirit and desire to win. He commented, "With the performance of this year's team, Angola can look forward to several good seasons in the future."

TENNIS TEAM: "BEST IN AREA"

The 1973 Tennis team led by Coach Tony Wright had a "very fine season." This team was one of the better teams in the area. Eric Trier had a 16-3 record, Richard Hill had a 14-4 record, Craig Clark had an 8-3 record, while Anthony Bal had a 9-8 record. The team had an overall record of 5-2. They finished 5th in the conference, with 7 points. Mr. Wright stated that the team would like to have done better in the conference and sectional, but that they are thinking ahead to this for next year.

Gymnasts Finish Season With 10-3 Record

This season was the best ever for gymnastics in the ten year history that it has existed at Angola. This year's captain, Ron Wenzel, not only broke the point record, but captured the sectional championship on the trampoline.

He went onto place fourth in the state. Next year promises to be even better although Mark Scott, John Carney, and Reed Steele will be graduating this year.

Hornet Baseball Squad Takes Second at Sectional

The Hornet Baseball Squad defeated Woodlan with a score of 5-2 and Leo 4-0 in the sectional but lost to Dekalb 4-6 in the final game. Their season record was 8 wins to 14 losses. Coach Maugherman commented that, "With a little more consistency throughout the year we could have finished much better than we did." This years squad carried a lot of younger boys including Butch Bush, a Freshman, at third base and Chip Folck, a Sophomore, catcher. With this young experience, next year promises to be an exceptional year.

The Cindermen Track Down Their Opponents for Victories

Breaking many records this year gave the A.H.S. cindermen's opponents something to think about through the season. The Mile Relay team, consisting of Craig Ralston, Dennis Kyle, Ray Chrysler, and Randy Hammond won a record 12 out of 14 races coming just eight tenths of a second off of a new record. Dennis Kyle set a new school record in the half mile with a 2:01.2 breaking the old record of 2:03.8 and Jack Wetzel set a record in the discus over his old school record of 117'2" with a 131'6". Kyle led the team in scoring by winning the mile nine out of twelve times among other victories in other events. Craig Ralston was second in scoring by winning the low hurdles and high jumping. Dave Newnam, a fairly new senior member to the team, ran the one-hundred and the two-hundred and twenty yard dashes to strengthen the sprints area. Randy Hammond, a senior and this year's captain, led the assault in the four-hundred and forty yard dash by winning nine out of fourteen races. The Coach, James Scott, contributed a lot to the team too. Through time and work, Mr. Scott gave the team the willingness and determination they needed.

Golf Team Closes With a Winning Season . . .

The golf team was coached this year by Barry Frisinger and the captain for the team was Eric Trier. The team closed the season with a 10 win-9 loss record. Next year's team looks just as hopeful as this year's team was for they will be losing only two seniors.

IHSAA Arouses Spirit and Interest in Girls Sports

IHSAA generated spirit and enthusiasm in girls sports with over thirty-five girls becoming involved in basketball, volleyball, and gymnastics. Coach Rita Rowe felt that, even though the girls suffered many losses, they all have a lot of potential and with this year's experience, next year should be a winning year.

GAA Sports Switch to IHSAA

The Girls Athletic Association changed many of their team sports over to the Indiana High School Athletic Association. This organization is the same for both boys and girls and the purpose of changing was to include a wider variety of sports for girls on a competitive basis with other schools. Those sports still under GAA were softball and track, but outside of sports the club included an overnight party in the gym.

Cheerleaders Give Their All to Help Lead Each Team on to Victory

The Cheerleaders seem to be a major part of every team in any sport. They support in times of defeat as well as in times of victory. The Hornet Cheerleaders did just this through the whole year. Led by Robin Bush, captain of all squads as well as the Varsity, they kept the spirit in the players and the spectators. Their loyalty and dedication to the entire athletic system of A.H.S. took the Varsity squad to camp in the summer to enable them to give their all to the athletes of their school. At camp, they learned how to express themselves through their actions and cheers.

Miss Counterman, the cheerleaders' sponsor, helped in any way she could. She took time to give guidance and discipline to each, as a squad of individuals.

ENGLISH

Classes . . . Old and New

A wide variety of selective English courses were introduced to students for the first time this year. Full-year and semester courses were offered in various categories in which students of all ages participated. A few of the new selections for the curriculum were Debate I and II, Mystery and Suspense, Non-fiction, Mythology and Folklore, Short Story, Science Fiction, Humor in Literature, Mass Media, Writing for Publication, and Stagecraft. However, the "oldies are goodies" and were not avoided. Speed Reading, English Fundamentals, Composition I and II, American, English, and World Literature, Journalism, Speech I and II, and Drama were classes that were largely enrolled with interested students. Mrs. McKeever, chairman of the English Department, has positive beliefs for the expanding success of the entire English system used this year.

"Join the Jet Age . . . Learn a Second Language"

The knowledge of a second language can be obtained easily with the skilled assistance of our foreign language teachers. This year, French, Spanish, and Latin were the three languages taught. Many different techniques of learning were used in order to provide students with a more interesting background. Mrs. Cook, Mrs. Spoolstra, and Miss Myers exercised the use of language tapes, movies, records, foreign magazines, and text books. Like last year, the French III and IV students ventured to South Bend, Indiana to see a French spoken play which they read in class. Perhaps the most adventurous cultural experience was a trip to France in the summer of 1973 by Mrs. Cook and thirteen of her French students.

The nation's current problems with Water-gate, the gasoline shortage, and the Patricia Hearst kidnapping, were among just a few of the topics discussed in several of the history classes. Mr. Sirk and Mr. Nesbitt guided the juniors through another successful year on the study on our nation's history. Anthropology and the French Revolution were added to the curriculum and attracted many students interested in the study of different people and nations. Again this spring, several government classes found themselves in Washington D.C. This trip provides an essential opportunity for students to take a look into the past and the present.

MATHE

Science . . . Solutions to the Complexities of Life

Various Math and Science courses are offered each year to encourage further study of capable students. Earth Science, Physics, Biology, Trigonometry, Algebra, and Chemistry provide the background needed for college bound students. Although Math and Science are often considered "rough" subjects, their unlimited boundaries of exploration continue to interest the minds of students.

Art Is in the Eye of the Beholder

ART

Mr. Robinson and Mrs. Deardorff, who both have an unlimited variety of creative ideas, supplied various opportunities to students who participated in the art program this year. Although art supplies and tools were not available in abundant amounts, an unlimited display of creations were exhibited in the cafeteria, the library, the halls, and the display cases. The school was continually decorated with unusual accomplishments which definitely portray the unique individuals which abide within the walls of the art rooms.

Industrial Arts — Future Careers From Basic Skills.

The Industrial Arts classes continued to succeed in preparing young people for future jobs in the world of industry and commerce.

Graphic Arts, Drafting, Architecture and Drawing, Electronics, Mechanics, Metals I and II, Woods I and II, and Industrial Math were courses which were used to the advantages of many prospective engineers, both male and female.

Mr. Steven's Girl's Home Repair class was a worthwhile effort. This class solved the problem for many girls as to how to fix home casualties without the aid of a male hand. Perhaps the combining of boys and girls into previous all-male classes will help these students realize the actual competition arising between males and females for the same type of job.

BUSINESS

Business Courses Require Calculat- ing & Thinking.

The Business Classes enjoyed a year of learning how to use new and different modernized machines to advance their knowledge in this area. These classes are conducted by Mrs. King, Mr. Thalls, Mr. Thompson, and Mr. Vaughn.

Mary McClanahan is quite busy.

Typing keeps Becky Cope occupied.

Heidy Bolenbaugh composes at the typewriter.

The Boys Add to the Home Ec Dept.

The Home Ec. Department added a new attraction to this area. Boys Home Ec. is the new class and it was enjoyed by many of the boys. The Home Ec. Department is under the guidance of Mrs. Buse, Mrs. Heier, and Mrs. Trennepohl.

Vocal Classes Provide Great Musical Training

A variety of faces and voices are combined in vocal classes. One freshman girls class, two sophomore girls classes, and a mixed vocal group provided entertainment during the vocal concerts. Also, the girls classes combined to receive a superior rating at the annual NISBOVA contest. They sing a variety of songs under the direction of Miss Nancy Siebold and Mr. Nichols.

Energy and Active Participation Create Phys. Ed. Classes

Every year numerous physically active students look forward to physical education. Most students feel that this class provides an hour of relaxation and exercise for keeping their minds and bodies in shape. This year, like years in the past, proved to be rewarding for active students.

7th Graders Prove Their Championship Ability

The seventh sportsmen proved their championship ability when they captured the basketball tourney at Prairie Heights and broke several records currently held in Jr. High track. This year's basketball team held a record of 10 and 4 going into the tournament and they finished with 12 and 4 having competed against Fremont and Prairie Heights. The team was coached by Jerry Moeller and Dean Harter and their team captain was Jeff Stackhouse. Coaching for football were Dean Harter, Lynn Maugherman and Terry Thompson. Coach for track was Randy Robison.

Promising Future for 8th Grade Athletes

The eighth grade football team had "the best overall season any eighth grade team has had here at Angola since I started coaching" stated Mr. Harter, eighth grade football coach. The team won four games and lost one. Jim Eberhardt was this year's M.V.P. Mr. Harter also stated that even though the eighth grade team does not keep actual records Jeff Wells intercepted more passes than any other 8th grader in years past and Jim Eberhardt completed more passes.

The eighth grade basketball team, coached by Mr. Tony Wright and Mr. Doyle Robinson, had a 5 win; 8 loss record. Mr. Wright stated that "the team has much potential and if they keep a good attitude, they will become a fine team."

Eighth grade cindermen had five wins with only one loss. They also took second place in the McIntosh Relays. They also set several new records during the season.

Dear Readers,

Each year the editor of the yearbook writes a letter for this last page. So traditionally, here is my letter.

I do want to thank everyone who has helped make KEY '74 what I hope may be called a success. They know who they are, Mr. Kelly, the entire staff, and especially our sponsor, Mrs. Rowers. She has had to put up with much graining about deadlines, complaints from the staff about the photographers, and complaints from the photographers about the staff. Few people could handle this so calmly and competently. Everyone else who has sponsored this year in any way - THANKS! I would also like to thank my assistant editor Charlene Shobe and photographers, thank - you.

It's somewhat of a strange feeling for me to write this letter because I know this is finally it - I'm really graduating. To all you seventh and eighth graders, being a senior isn't that great. Don't let anybody tell you that it is. You will have all those problems and worries. The only difference is that now you are supposedly able to handle them.

As for my one little part of a contribution to Angela High School, here take this KEY and remember the good times and the bad times. "Memories are like a blessing and a curse - it hurts to recall the days that are over." The title of this song "Thanks for the Memories" says it all.

Vickie Andrew
Editor
KEY '74
